## MY WORK EXPERIENCE

2018-2023

### LEAD WEB DESIGNER AND DEVELOPER

#### WEB GRAPHICS HUB

As the lead web designer and developer at Web Graphics Hub, I oversee the design and development of web projects, collaborating with clients and mentoring team members to deliver exceptional results. I strive for the highest standards of quality and professionalism in all aspects of my work.

2016-2018

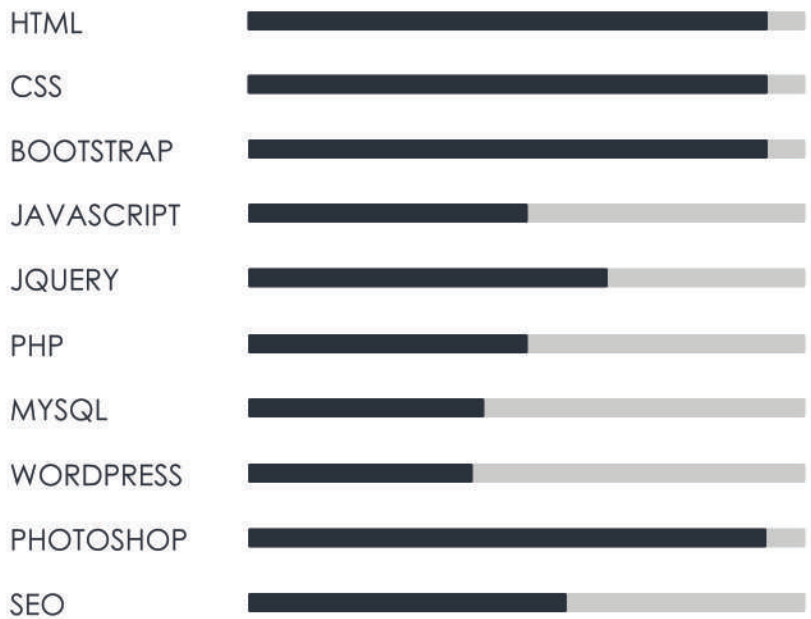

### JUNIOR WEB DESIGNER

#### COMPLETE WEB GRAPHICS

As a junior web designer at Complete Web Graphics, I assist with the design and development of various web-based projects. I am committed to expanding my skills and knowledge in this field, with the aim of delivering high-quality work that meets client needs and expectations.

## MY SKILLS & EXPERTISE

### PROFESSIONAL SKILLS

### EXPERTISE AND MENTORSHIP

Over the course of the past five years, I have amassed an extensive portfolio of web design and development projects, having worked on more than 200 live projects during this time. As an experienced professional in this field, I have collaborated with three renowned organizations - Complete Web Graphics, Web Graphics Hub, and Learn Computer Academy - where I have consistently delivered visually striking websites and graphic designs that have garnered recognition from clients and users alike.

In addition to my work as a designer and developer, I have also undertaken the role of mentor, guiding and inspiring more than 100 students in their pursuit of web design and development. These students have gone on to secure roles across various industries, equipped with the skills and knowledge that I have imparted to them. With the aim of providing accessible and comprehensive web design and development education, I have founded **CODEWORM** - an online platform and YouTube channel through which I offer training to individuals.
